#### **About Elixinol Global**

Elixinol Global Limited (ASX: EXL) through its businesses has a global presence in the cannabis industry including hemp-derived CBD dietary supplements, food and wellness products, as well as the cultivation and manufacture of medicinal cannabis products. Elixinol Global's businesses include:

- Elixinol USA, which was founded in 2014, is a manufacturer and global distributor of industrial hemp based dietary supplement and skincare products, with operations based out of Colorado, USA;
- Hemp Foods Australia, which was founded in 1999, is the premier hemp food wholesaler, retailer, manufacturer and exporter in the southern hemisphere of bulk and branded raw materials, and finished products;
- Elixinol Australia, which was founded in 2014 to participate in the emerging Australian medicinal cannabis market and has submitted licence applications for cultivation and manufacture to the Office of Drug Control (ODC) in early CY 2018. These applications are currently pending approval.
