EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of Shareholders in relation to the business to be conducted at the Company's EGM to be held on 18 April 2024.

The purpose of this Explanatory Memorandum is to provide Shareholders with information that the Directors believe is reasonably required by Shareholders to decide how to vote upon the Resolution.

The Directors unanimously recommend Shareholders vote in favour of the Resolution. The Chair of the Meeting intends to vote all available undirected proxies in favour of the Resolution.

The Resolution is to be voted on as an ordinary resolution (requiring at least 50% of the votes cast in favour).

Resolution 1 Issue of Options to Sub-Underwriters

Background

As announced on 12 February 2024, the Company intends to raise \$3.16 million from shareholders via a fully underwritten, non-renounceable entitlement offer (**Offer**) and has entered an underwriting agreement (**Underwriting Agreement**) in connection with the Offer with Canaccord Genuity (Australia) Limited (**Canaccord**).

Canaccord has agreed to underwrite the Offer in return for receiving a management fee and commission (described below), upon the basis that any sub-underwriters nominated by Canaccord in relation to the Offer (each a **Sub-Underwriter**) are issued one (1) Sub-Underwriter Option for every two (2) Offer Shares, subject to shareholder approval. As is normal commercial practice, Canaccord will make its own arrangements with any Sub-Underwriters with respect to any of Canaccord's fees it will pay to those Sub-Underwriters.

Any Sub-Underwriter Options to be issued are to be issued on the terms set out in Schedule 1, being the same terms as the terms applying to the options to be issued to shareholders subscribing under the Offer. Canaccord will not on a principal account be issued any options for underwriting the Offer.

If the Offer proceeds but this Resolution 1 is not approved, the Company is not required to pay the Sub-Underwriters any cash penalty in lieu of any failure to issue the Sub-Underwriter Options, but has agreed to undertake reasonable endeavours to issue maximum number of the Sub-Underwriter Options to the Sub-Underwriters as it is permitted pursuant to its unused capacity under ASX Listing Rule 7.1 (as at the date this Resolution 1 is not approved), on a proportionate basis (based on each Sub-Underwriter's relative subscription relating to the Offer).

The Company believes it is important for Shareholders to consider that in approving the issue of the Sub-Underwriter Options –

- **The Sub-underwriting Options are on the same terms as the options to be issued to participating shareholders in the Company's 2024 Rights Issue; and**
- **The Sub-underwriting Options could result in the Company receiving prior to the expiry date for the options, \$2.373 million in subscription monies (if all of the Sub-underwriting Options are exercised) – providing additional working capital for the Company.**

Summary of key terms of the Underwriting Agreement

Fees and Sub-Underwriter Options

In consideration for underwriting the Offer, the Company agreed to pay Canaccord management fee of 2% and commission of 4% of the Underwritten Amount. The Company has not agreed to issue any securities to Canaccord.

In addition, subject to shareholder approval (being the subject of this Resolution) and completion of the Offer, EXL agrees to issue to Canaccord's nominees, up to 316,435,807 Sub-Underwriter Options on the same terms as the options issued to shareholders under the Offer.

Representations and warranties

The Company agreed to give standard representations and warranties to Canaccord in the Underwriting Agreement and agreed to provide a standard indemnity for the benefit of Canaccord and pay Canaccord's reasonable expenses. It also agrees to conduct the Offer in accordance with applicable law.

Conditions Precedent and Termination Events

Canaccord's obligation to underwrite the Offer is subject to the satisfaction of certain conditions precedent documented in the Underwriting Agreement that are customary for a transaction of this nature. If one or more of those conditions are not satisfied by the relevant date or if certain events occur, then Canaccord may terminate the Underwriting Agreement (in which case it will not receive any fees in connection with the Offer including the Sub-Underwriter Options).

The events which may trigger termination of the Underwriting Agreement include (but are not limited to) the following:

- the All Ordinaries Index & Emerging Companies Index as published by the ASX falls below 10% of its respective level as at the close of business on the business day prior to the date of the Underwriting Agreement;
- Official Quotation has not been applied for in respect of the new shares under the Offer by 20 March 2024, or having been applied for, is subsequently withdrawn, withheld or qualified;
- the offer document (i.e. the Prospectus) does not contain all the information required by the Corporations Act;
- it transpires that there is a statement in the Prospectus that is misleading or deceptive in a material respect or likely to mislead or deceive in a material respect, or that there is a material omission from the Prospectus or if any statement in the Prospectus becomes misleading or deceptive in a material respect or likely to mislead or deceive in a material respect or if the issue of the Prospectus is or becomes misleading or deceptive in a material respect or likely to mislead or deceive in a material respect;
- the Company is prevented from allotting the new shares under the Offer within the time required by the Underwriting Agreement, the Corporations Act, the Listing Rules, any statute, regulation or order of a court of competent jurisdiction by ASIC, ASX or any court of competent jurisdiction or any governmental or semi-governmental agency or authority;
- the Takeovers Panel makes a declaration that circumstances in relation to the affairs of the Company are unacceptable circumstances under Pt 6.10 of the Corporations Act, or an application for such a declaration is made to the Takeovers Panel;
- any authorisation which is material to anything referred to in the Prospectus is repealed, revoked or terminated or expires, or is modified or amended in a manner unacceptable to the Underwriter (acting reasonably); and
- a director or senior manager of EXL is charged with an indictable offence.

ASX Listing Rules 7.1 and 7.3

Under ASX Listing Rule 7.1, broadly speaking and subject to a number of exceptions, a listed entity must obtain ordinary shareholder approval if it wishes to issue, or agree to issue, more than 15% of its equity securities over any 12 month period based on the number of fully paid ordinary securities it had on issue at the start of that 12 month period (**15% Placement Capacity**). ASX Listing Rule 7.3 provides that, for holders of ordinary securities to approve an issue or agreement to issue securities under ASX Listing Rule 7.1, the entity must provide certain specified information in relation to the issue (or agreement to issue) to its security holders (as described below).

If Resolution 1 is passed, the Sub-Underwriter Options to be issued will be excluded from the Company's 15% placement capacity under ASX Listing Rule 7.1, effectively increasing the number of equity securities that the Company can issue without prior Shareholder approval over the 12-month period following the date of issue of those Sub-Underwriter Options. The effect of Resolution 1 is to permit the Company to issue 316,435,807 Sub-Underwriter Options in consideration for sub-underwriting the Offer.

For the purpose of Resolution 1, the following information is provided in relation to the proposed issue of Sub-Underwriter Options in accordance with Listing Rule 7.3:

- (a) **The names of the persons to whom the Company will issue the securities (or the basis on which the persons were identified or selected):**
The Options will be issued to sub-underwriters (of Canaccord Genuity (Australia) Limited) to the Offer (**Sub-Underwriters**), as nominated by Canaccord as sub-underwriter of the Offer.
- (b) **Number and class of securities to be issued:**
Where Canaccord nominates any Sub-Underwriters, those Sub-Underwriters (between them) may be issued up to a total of 316,435,807 Sub-Underwriter Options under this Resolution 1 (subject to Shareholder approval).
- (c) **If the securities are not fully paid ordinary securities, a summary of the material terms of the securities:**
The Sub-Underwriter Options will be issued upon and subject to the terms set out in Schedule 1.
- (d) **Date which the securities are to be issued:**
Provided there is no termination of the Underwriting Agreement, the Sub-Underwriter Options will be issued, subject to successful completion of the Offer, within 2 business days and in any case no later than 3 months of the date of the approval of this Resolution at the EGM.
- (e) **The issue price or other consideration the Company will receive for the issue of the securities:**
No cash consideration will be raised by the Company from the issue of Sub-Underwriter Options. If all the Sub-Underwriter Options are issued:
i. based on a Black-Scholes valuation, the value of the aggregate of those Sub-Underwriter Options would be approximately \$1.096 million, and
ii. if all those Sub-Underwriter Options are exercised, the Company receive approximately \$2.373 million in subscription monies upon that exercise.
- (f) **The purpose of the issue, including the intended use of the funds raised by the issue:**
As noted above, the Sub-Underwriter Options will be issued in lieu of cash fees for sub-underwriting the Offer.

If all of the Sub-Underwriter Options were exercised, the Company would raise total proceeds of approximately \$2.373 million in subscription monies upon that exercise. These funds will be used to pursue the Company's growth strategy which includes expansion of retail channels and for general working capital purposes.
- (g) **The summary of the material terms of an agreement under which the securities were issued:**
The securities would be issued pursuant to the terms of separate sub-underwriting agreements, each between each the Lead Manager and the respective Sub-Underwriter. The terms of the Underwriting Agreement between the Company and the Lead Manager are described above. The Sub-Underwriter Options will be issued subject to the Option Terms, a copy of which is included in Schedule 1.

Shares to be issued on the exercise of the Sub-Underwriter Options will be fully paid ordinary shares and rank equally in all respects with the Company's other Shares on issue.
- (h) **If the securities are being issued under or to fund a reverse takeover, information about the reverse takeover:**
The securities the subject of Resolution 1 are not being issued under or to fund a reverse takeover.
- (i) **Voting Exclusion Statement:**
A voting exclusion statement in relation to Resolution 1 is included in the Notice.

The Directors unanimously recommend Shareholders vote in favour of Resolution 1. The Chair intends to vote undirected proxies in favour of Resolution 1.
